

FAA Safety Team, EA-63 FSDO presents:

Are You Losing Control? Surprise Surprise! Seminar Canceled

CHANGES This seminar has been canceled due to Forecast Weather, It will be rescheduled to a later date. FAASTeam Rep. Kenneth MacDonald and FAASTeam Program Manager Jim Adams will present this eye opening safety seminar about preventing loss of aircraft control. We will review and discuss loss of control accidents and see how they could have been prevented. Every year countless aircraft depart from controlled flight, unfortunately many pilots do not regain control prior to impacting the ground, resulting in serious injuries or death.

This is an interactive seminar, so bring your questions. See the additional Information section of this announcement. Refreshments provided by Keystone. Click the link below and register TODAY.

Directions: Take I-84 to exit 16, follow CT-Rt 188 South for 1 mile, turn left on to Airport Rd. go to top of hill and park at the Enterprise rental lot. For GPS directions use 1 Airport Access Road.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
